

PUBLIC MEETINGS

PURPOSE

To discuss the scope of issues for a Drought Management Plan for the Kerr Dam Hydroelectric Project, Flathead Lake, Montana.

LOCATION and TIME

Tuesday, July 9, 2002

6:30 p.m. to 9:30 p.m.

Westcoast Outlaw Hotel

1701 Highway 93 S.

Kalispell, Montana

and

Wednesday, July 10, 2002

6:30 p.m. to 9:30 p.m.

Ninepipes Lodge

4100 Highway 93

Charlo, Montana

OPEN HOUSE CONDUCTED BY

The Bureau of Indian Affairs in conjunction
with HDR Engineering, Inc.

These scoping meetings are designed to provide an opportunity for public input during the preparation of a Drought Management Plan while complying with the National Environmental Policy Act and Article 60 of the Kerr Hydroelectric Project license.

Representatives from the Bureau of Indian Affairs, other federal agencies and HDR Engineering, Inc. will make presentations at 6:30 p.m. July 9th in Kalispell and at 6:30 p.m. on July 10th in Charlo. These presentations will be followed by question and answer sessions, and an opportunity to voice your concerns.

WRITTEN STATEMENTS or comments about this project must be faxed, mailed, e-mailed, or hand-delivered by Tuesday, July 30, 2002 to:

Ms. Michelle Bissonnette
HDR Engineering
